

Making a Complementary Instrument

Day 3

Activity # 4

Duration 15 Mins

Standards of Learning (SOL)

relevant picture

Materials

- Tape
-

Setup

Do something

Facilitator

Look for something

DO

Teacher:

Make a Snare with 2 beats.

Make a Hi-Hat with 3 beats.

Now make a Kick drum with a complementary beat that plays when the other beats play.

Now play the rhythm.

ASK

Was your prediction correct? Why/Why not?

What is needed to make the third instrument match the first two playing?

TAKEAWAY

When adding fractions, they need to share the same number of parts (divisor or denominator).
